

ACCA/SC - Conference

Shifting Gears In Chaplaincy When Your Tank's On Empty!

It's time again to start making plans to attend the American Correctional Chaplains Association/South Central Regional Conference, which will meet in Baton Rouge, Louisiana, March 5th, 6th, and 7th, 2008.

Last year we met in Vicksburg, Mississippi, and had good attendance, and we are hoping for even more this year. Please make copies of this information and help get the word out to everyone

The planning committee has been working hard to make sure every detail for a great conference has been covered. We have taken last year's evaluations and used suggestions to help this conference be the best ever.

We understand the stress and burn-out you experience from the daily routine of prison ministry and have put together some sessions that we hope can help. Just a sneak preview of a few of these sessions: Stress/Nutrition, "Moses Was a Basket Case, Finding Humor In the Workplace", "Keeping Our Light Burning, So We Can Be a Light In A Dark Place." We are excited to have Warden Cain of Louisiana, Leo Brown of Oklahoma, and Bob Holyfield from Arkansas among many of our outstanding speakers lined up for this conference. Come expecting to receive good training and encouragement in your prison ministry."

We have blocked rooms at the Days Inn, Siegen Lane, for \$89.27 (price includes tax). You must make your own reservation and request "ACCA rate" to receive this room price. We have worked out a deal with Corkey's (the restaurant inside the hotel) for breakfast for both days (biscuits, eggs, bacon, gravy, coffee, and juice). When you register for the full conference (early or onsite) you will receive meal tickets for two breakfasts and two dinner meals. All others will have to purchase a meal ticket to eat any of these meals (see prices on the attached form).

We have attached a registration form showing the prices for the conference, room rates and additional information.

We are looking forward to seeing you at this conference and to give you the opportunity to network with state and federal Chaplains, volunteers, and others who work in correctional chaplaincy.
